Dear Mothers and Sisters,

We have been provided with the links below to help better understand the workings of the Coronavirus and the most effective ways of guarding against it. I hope you will find them helpful.

The Little Sisters of the Poor are starting a rosary campaign for an end to the coronavirus pandemic. Please see the message below from their Mother General:

*Our Mother General has asked that one million rosaries be said to conquer the coronavirus pandemic. Our Lady asked this of Sister Lucia in 1974 to end the Portuguese Revolution and it happened, quickly! Please send this out to all your friends and contacts and say one yourself. Sign up using the link below or log into our National website.*

We have been asked about plans for the Eucharistic Congress. We are holding to the dates of October 9 - 10, in good hope that we will be able to move ahead with preparations in a few months time. More than ever, the need for the Congress is making itself felt.

Please know that we remember all of you in our prayer in these days. If you have any questions about this information or if we can help you in any other way, please don't hesitate to contact us.

In Christ,

*Sr. Mary Christine, RSM*
