Dear Mothers and Sisters,

Please know that you and your communities are in our prayers during these days. While Jenny and I are working from home, plans for the Eucharistic Congress are moving ahead. We are beginning to meet on a regular basis with Fr. Dennis Gill and a core group of persons from the Archdiocese of Philadelphia to solidify arrangements. The website for the Congress is now live (the registration portal will be open shortly) and you can see it here: <http://archphila.org/eucharistic-congress/>. Additional resources and information will be added to the website over the coming weeks.

The Hilton Foundation would like to help financially support programs for youth and young adults led or animated by Catholic Sisters along the US/Mexico border. Specifically they are interested in programs which, **"Expand services to disadvantaged and vulnerable youth and young adults aged 15-25 and their families. Areas of focus include: education, food, security, health care, human trafficking and youth entrepreneurship."** Additional information may be obtained by contacting maureenday@fst.edu.

God bless you and your communities in this Easter season.

In Christ,

Sister Mary Christine, RSM
Executive Director
